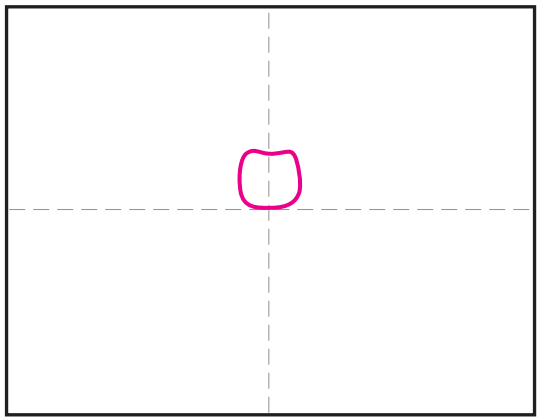
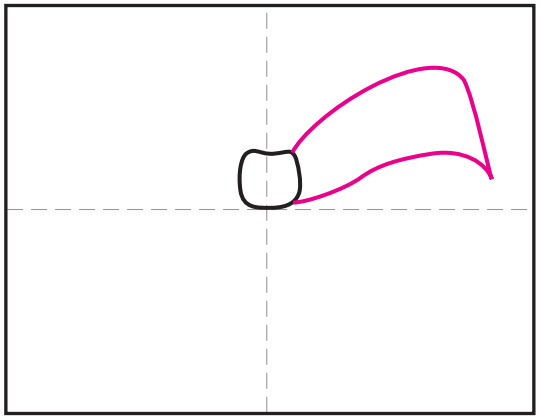
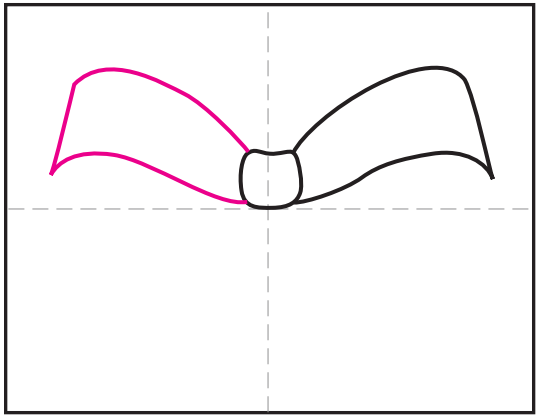
Draw a Bow



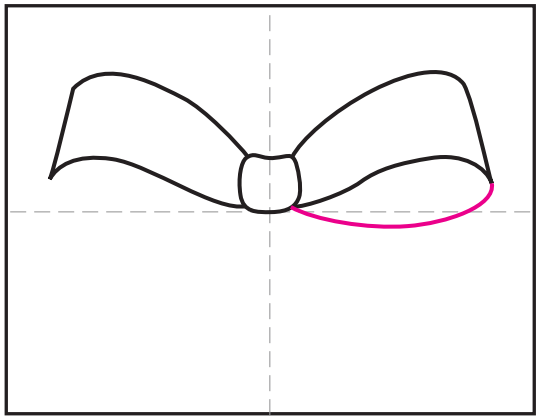
1. Draw the center of the bow.



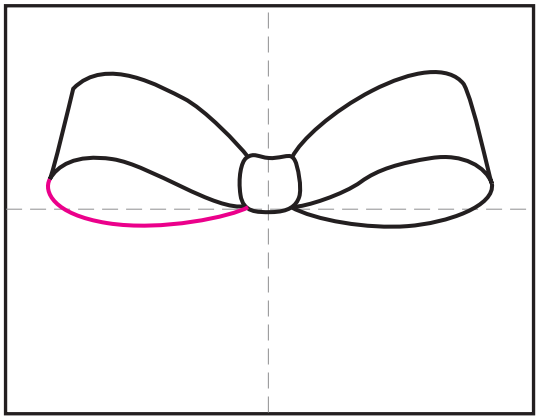
2. Start the top of the right loop.



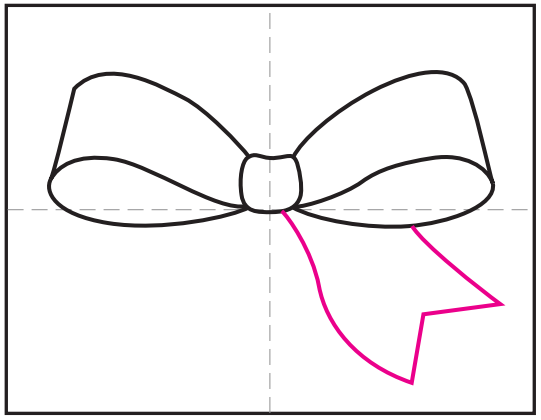
3. Match with same shape on the left.



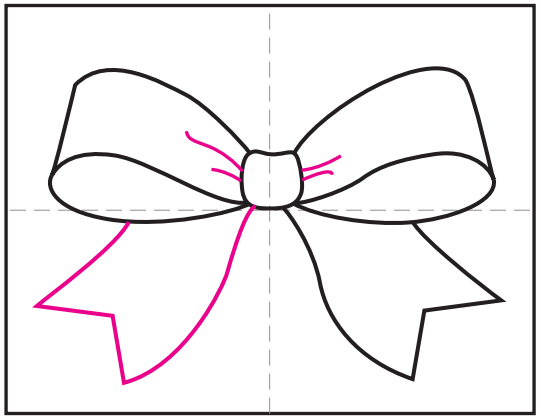
4. Draw the bottom of the loop on the right.



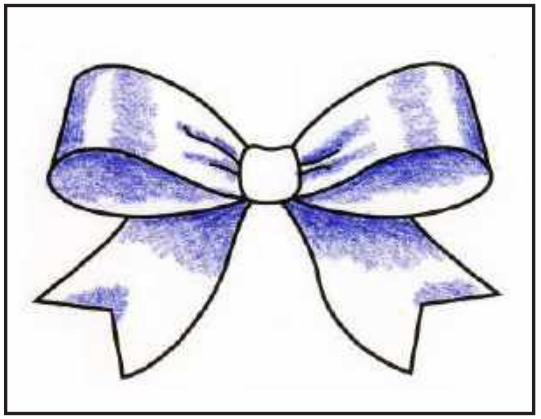
5. Draw the bottom of the loop on the left.



6. Add the ribbon end on the right.



7. Add ribbon end on the left and the wrinkles.



8. Trace and color the shadows with dark crayon.

9. Finish by filling in with a lighter shade of color.
